

## Lions Project Pride

Lions Project Pride is a program for Canadian Lions Clubs. If your Lions club chooses to participate, you will express to your community the pride your club has in Canada and in being a Lion.

This is done by presenting a Canadian flag 12 cm by 24 cm (5" x 10") and a certificate, to each grade one student in the community. The certificate, in English or French describes the diversity of our country and the pride we have in being Canadian.

Our Lions pride is expressed as we contact school officials requesting permission to visit schools, our visit with classroom teachers, and most importantly the students during the flag presentation. The opportunity to visit with a group of Grade one students is a special reward.

Lions from British Columbia to Newfoundland are distributing over 40,000 flags every year. We have had very favourable comments from students, teachers and parents.

Be a proud Lion, participate in Lions Project Pride.
