

HELP RAISE A FUTURE DOG GUIDE

You can support Lions Foundation of Canada Dog Guides by “adopting” a puppy.

Foster families play an essential role by welcoming Dog Guide puppies into their homes to learn basic obedience and gain exposure to a range of people and places.

Many people who are not able to foster a puppy have expressed a desire to contribute to a Dog Guide’s early development. The “Adopt” a Dog Guide Puppy program provides this opportunity in an important way.

By contributing \$100, you can help offset some of a puppy’s normal veterinary expenses for its first year. In return, you (or the person of your choice) will receive a certificate that announces the symbolic adoption of a Dog Guide puppy and is personalized with the recipient’s name.

The certificate makes a wonderful gift.

Each Dog Guide costs approximately \$20,000 to raise, train and match with its handler. However, thanks to donations from across the country, Dog Guides are provided at no cost to Canadians with disabilities.

The Lions Foundation has five Dog Guide programs to serve Canadians with disabilities:

Canine Vision Dog Guides

For people who are blind or visually impaired

Hearing Ear Dog Guides

For people who are deaf or hard of hearing

Special Skills Dog Guides

For people with a medical or physical disability

Seizure Response Dog Guides

For people who have epilepsy

Autism Assistance Dog Guides

For children aged 4-12 with autism
