Message From the Chairperson & CEO

The theme for this year's annual report is "Moving Forward," and it is safe to say 2020/21 is a year which many of us would like to put behind us and focus on moving forward. We used this past year to lay out some foundational changes that will help us move forward and build on success.

"When we are no longer able to change a situation, we are challenged to change ourselves." Victor Frankl

This quote by Victor Frankl, resonated for us. COVID-19 presented many obstacles which we were not able to change, but it also challenged us to think about how we could adapt the way we work to continue to serve our graduates and applicants. Many of the changes we implemented will carry forward as we continue to build on what we have learned. We are almost one year into implementing our five strategic plan priorities and we are pleased to share some highlights of our progress so far:

Goal: Serve More Canadians with Disabilities

In a year when COVID-19 impacted our ability to match applicants with dogs, we shifted our efforts to train virtually and remotely to graduate 35 teams. We resumed our breeding program and 54 dogs were born in hopes of becoming future Dog Guides.

Goal: Provide a First Rate Client Experience

We established an Ambassador program to match newly accepted applicants in each of our 7 programs with existing working teams to provide a forum to ask questions, and share experiences. We continue to work on the plans for our new building, factoring in state of the art design to meet the ongoing needs of our clients and dogs. We will be launching a capital campaign in the late fall to begin the task of raising funds to raise the roof (or should that be "raise the woof!"). We will share the details of this exciting project widely in the coming months – stay tuned!

Goal: Engage More People to Support our Mission

With huge thanks to our loyal donors, we raised a remarkable \$8.57 million dollars last year – an increase of 35 per cent over last year. The Pet Valu Walk for Dog Guides grew by more than 49 per cent over last year in terms of revenue raised and participation was at an all-time high in spite of being a virtual event! While COVID-19 did restrict our ability to meet and engage in person, we held virtual graduations with more than 400 people in attendance from across the country.

Goal: Build our Organizational Capacity

From a Board perspective, we wrapped up the work reviewing our governance model resulting in a new set of bylaws and accompanying policies. The principle changes included improvements to the way in which people are selected as nominees to the board, including an option for at large directors, as well as changes to the selection process for Officer roles on the board, notably the chair and addition of a chair elect officer position. The board also reflected on the ongoing to operate as two separate legal entities - Lions Foundation of Canada and Dog Guides Canada and determined amalgamating both entities into one organization was the most efficient option. We are pleased to announce this change has been approved by the Charities Directorate of Revenue Canada and is effective August 1, 2021 we are now operating under one charitable registration number and the name Lions Foundation of Canada Dog Guides (LFCDG).

Goal: Optimize Canine Well Being

We have begun implementation of an Early Training Unit as a transitional training program between foster families and program specific training.

We owe a debt of gratitude to the many people who have encouraged us, supported us and helped us get through this challenging year. Because of this support and kindness, we are ready to face the coming year from a position of strength and optimism for a return to a more predictable level of operations. Thank you to the staff for their commitment to doing their best in face of less than ideal circumstances, to our volunteers and foster families who have been there and stepped up even when they couldn't step into our facilities in person – we miss you! Thank you to our donors who have opened their hearts to ensure we were able to continue to fund our work. And lastly, thank you to the board for the support of LFCDG and the changes we made to the way they work, and the way they met - the support was greatly appreciated.

We feel comfortable in what we have accomplished in very difficult times and the plans we have set in place will ensure we succeed and continue the growth of Lions Foundation of Canada Dog Guides.

***"If everyone is moving forward together,
then success takes care of itself."*** Henry Ford

Chairperson of the Board

2020-2021 Year at a Glance

It's safe to say that 2020/2021 has been a year like no other. Despite its challenges, Lions Foundation of Canada Dog Guides continued to work towards its mission – to empower Canadians with disabilities to navigate their world with confidence and independence by providing Dog Guides at no cost to them and supporting each pair in their journey together.

35 people graduated
with their Dog Guides

\$818,466 was raised
from the Pet Valu Virtual
Walk for Dog Guides

Over 300 foster dogs &
foster families

1,030 active clients

\$6.37 million from
donations

LFCDG continues to be
an accredited member
of major organizations

LFCDG's Seven Programs

Canine Vision

for people who are blind or visually impaired

Hearing

for people who are deaf or hard of hearing

Service

for people who have a physical or medical disability

Seizure Response

for people who have epilepsy

Autism Assistance

for children who have autism spectrum disorder

Diabetic Alert

for people who have diabetes with hypoglycemic unawareness

Facility Support

for professional agencies assisting individuals in traumatic situations

"I really liked the virtual training and home placement. The bond was a lot quicker and I found the virtual training was way more relaxed. Garner has given me my full independence again; I couldn't imagine my life without him."

Patti & Garner,
Canine Vision team, Kitchener, ON

"Hero and I are doing extremely well. He is out of this world amazing at his job! We are a perfect match beyond words! I thought I'd never be able to live independently but I know I can trust Hero because he's so adaptable to everything and so well-behaved."

Lise-Marie & Hero, Seizure Response team, Ottawa, ON

Class Updates

This past year we continued to fulfill our mission to assist more Canadians with a disability while ensuring the highest degree of safety for staff and clients by adhering to the following guidelines:

- Masks were mandatory for anyone inside of a Dog Guides' facility and were also recommended for outdoor use
- Clients were requested to have a COVID-19 test performed one week prior to in-person team training.
- Clients completed a standard government health questionnaire approximately one week prior to in-person team training
- All clients had a rapid COVID-19 test performed upon arrival at the facility - the test was provided by Dog Guides and was administered by Dog Guides staff
- Social distancing was enforced while at Dog Guides facilities

Puppy Program

LFCDG had to put a pause on a lot navigating through COVID-19 but thanks to existing and new puppy staff, the foundation was able to support over 300 foster families raising future Dog Guides through virtual classes, one-on-one video calls and town hall discussions.

In early winter of 2021, we resumed breeding future Dog Guides again, and held a puppy drive-thru to safely deliver them to foster families. Thirteen seven-week-old standard poodles were placed with foster families – the first litter in almost a year. Since then, we have resumed our regular breeding schedule and continue to meet foster families outdoors to provide assistance in the raising of future Dog Guides.

As we enter a new fiscal year, we are moving forward and excited for what lies ahead. We are so thankful for the foster families who stepped up and continued to care for our dogs during this uncertain time. We owe a debt of gratitude to them! These pandemic pups will be well prepared for a career as a Dog Guide in one of our seven programs.

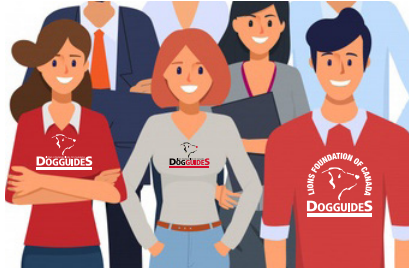

"Fostering may not be the easiest things I've ever done but it's been the most rewarding. Lukey filled my life with love, friendship, knowledge and wonderful memories. Now he is training in the Autism program where I know he will love a girl or boy of his own and change their life."

Jeannette Manning, Fostered Lukey
2019-2021

Fosters/Sitters/Staff

Total number of puppy staff:

4.5

Total number of foster families:

Approximately 300

Sitters:

113

**54 puppies were born between
July 1, 2020 to June 30, 2021**

7 golden retrievers (13%)

18 lab/golden crosses (33%)

10 labrador retrievers (19%)

19 standard poodles (35%)

Fundraising

Moving Forward with Positivity

Each Dog Guide team costs approximately \$35,000 to raise, train and place, yet they are provided at no cost, even without government funding. In this exceptional year, our stakeholders were critical to our success in moving forward as we all faced the effects of COVID-19. LFCDG is extremely grateful to the many donors from across the country whose gifts helped raise \$8.57 million this past year.

Whether it is making a donation, hosting a virtual fundraiser or event, establishing a corporate partnership, sponsoring a Dog Guide team or leaving a bequest, every contribution makes a difference. We are truly inspired by the contributions of our passionate donors, without whom our work simply would not be possible.

As we move forward to the next year with positivity, we do so with confidence that our loyal donors, Lions and volunteers will continue with their dedication to assist more people to receive the many benefits of having a Dog Guide by their side.

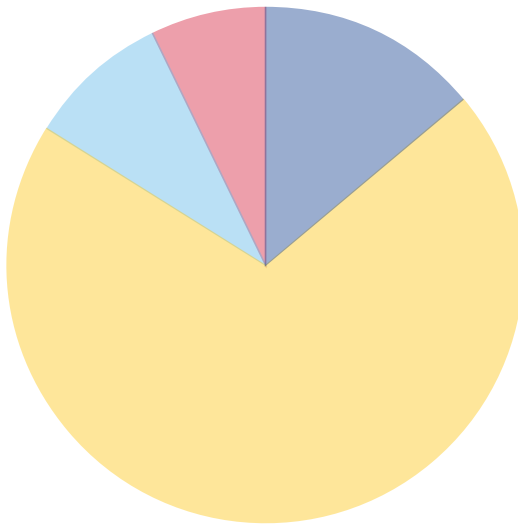

Planned Giving

Planned gifts provide a major funding source that enables us to plan and use in the future moving forward. We are so grateful for the many people who have chosen to create gifts in their plans to ensure future generations of people living with a disability can receive special Dog Guides at no cost. Lions Foundation of Canada Dog Guides joined Will Power in 2021, a site to visit with free resources and tools to learn about ways to give.

Cindy & Harris, Service Team, Burlington, ON

Source of donations

- Lions 14%
- Individuals 70%
- Corporations and Organizations 9%
- Foundations 7%

"We've both been long-time fans of dogs and, after I became disabled, we gained an additional appreciation of how valuable they can be. So, once Randy retired, we decided to contribute by both volunteering at Dog Guides and making donations."

Susan Johnston and Randy Droniuk, Donors and Volunteers

Lion Clubs: Sponsorships, Fundraisers and Ambassadors

Lions Foundation of Canada Dog Guides is built on a solid foundation of support and dedication by Lions Clubs across Canada. The past year has been like no other in the history of the foundation but even with the challenges clubs faced, our Lions continued to serve their foundation. Whether it was TV Bingo, a virtual golf tournament, a bottle drive or 'Chase the Ace,' clubs embraced technology and continued to creatively fundraise to support the work we do at Dog Guides.

Each year, Lions, Lioness and Leo Clubs across the country provide about 20 per cent of funding to Lions Foundation of Canada. They participate in the Lions awards program, the sponsorship program, Memorial Forest and the Pet Valu Walk for Dog Guides. This year marked a transition for Lioness Clubs worldwide and the foundation looks forward to continuing our work with dedicated Lioness members who will channel their energy and enthusiasm as new Lions, Swans or Lionesses.

Thank you to our Lions who serve Lions Foundation of Canada coast to coast!

Port Dover Lioness Club, November 2020

Hearing Dog Guide Sponsors

Third Party Fundraising

Lions Foundation of Canada relies on donations and is humbled each year by the generosity of time and energy that many donors put into fundraising for Dog Guides - especially in times when fundraising is challenging, like a pandemic. Whether it's a service club running a garage sale or some young friends running a lemonade stand, the foundation is grateful for these events that not only raise necessary funds, but also awareness about the Dog Guides mission and why can be so critical to Canadians, of all ages, living with a disability.

Zoya Hasan and Neeve Aidoo (6 years old) raised \$250 from their lemonade/ cookie stand

Partnership Highlights

Pet Valu & Family of Stores

Lions Foundation of Canada Dog Guides shares a very successful national partnership with the Pet Valu family of stores across Canada. Since 2014, they have been supporting Dog Guides every step of the way. For the last few years, they have generously been supplying food to our many puppies and food and tasty treats to the dogs in training. They are the title sponsor of the annual Pet Valu Walk for Dog Guides and many stores and their customers fundraise across the country. All donations received by Pet Valu's customers through their annual calendar and bandana programs sponsor Dog Guide teams. Pet Valu and its family of stores sponsor throughout the year in all seven programs and have now sponsored 144 teams.

Pet Valu plays a key role in the success of LFCDG, enabling the organization to move forward. Thank you to the Pet Valu team for the incredible difference they make to provide Dog Guides, empowering the lives of people who receive a Dog Guide.

"Pet Valu is very proud to be a national charitable sponsor of Lions Foundation of Canada Dog Guides. Through this collaboration, we sponsor the annual Pet Valu Walk for Dog Guides and provide Pet Valu's proprietary food Performatrin® and Performatrin Ultra® to feed every puppy and Dog Guide in training.

To date we have provided \$2.4 million since 2014 to help Dog Guides fulfill its mission of helping Canadians with disabilities navigate their world with confidence and independence, and we look forward to continuing to support this worthy organization for years to come." Tanbir Grover, Chief Marketing and Digital Officer, Pet Valu.

Pet Valu Virtual Walk for Dog Guides

The Pet Valu Walk for Dog Guides is LFCDG's largest fundraiser that takes place in communities all over Canada. This year, participants came together to virtually walk the length of Canada 11 times and logged 65,344 kms. Starting off in Canada's most easterly point, Cape Spear in NL, and crossing the finish line in Mt. St. Elias, YK, every time participants got active – whether it was by going on a wheelchair accessible trail, a walk, bike ride or dancing in their living room – by logging their kms “travelled” we tracked our distance across Canada. Thanks to the support of participants, donors, volunteer walk organizers and our title sponsor, Pet Valu, we were thrilled to beat our goal of \$500,000 for this year's Pet Valu Walk for Dog Guides by raising an impressive \$818,466!

From all of us at Lions Foundation, thank you for your dedication and commitment to the cause!

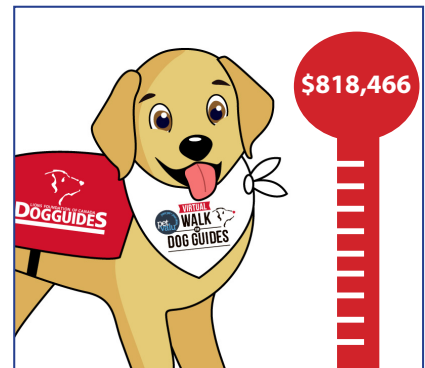

**Walked the length of
Canada 11 times**

**Logged 65,344
kilometres**

**Raised
\$818,466**

“This year the Guelph Lions Club partnered with four local Pet Valu stores, Dog Guide Graduate Teams, and foster family teams. Working virtually became easier every day with the support of the wonderful staff, our community and the Pet Valu stores!”

Beverley Gushue, Guelph Walk Organizer,
2021 Pet Valu Virtual Walk for Dog Guides, Guelph Lions
Club

New Partnerships

Many new partnerships were made between LFCDG and different organizations this year. These partnerships have been mutually beneficial and have allowed us to strengthen relationships amongst other accredited organizations and increased awareness about the assistance Dog Guides provide to people with disabilities.

LFCDG Lends A Paw to Other Organizations

In the fall of 2020, LFCDG was deemed an essential service across all provinces and learned to adapt by collaborating with like-minded organizations to help them assist more individuals in need of assistance dogs. In July, we were thrilled to provide Dogs With Wings (DWW), an accredited assistance dog organization in Alberta, with ten dogs. In exchange, DWW offered to assist any LFCDG graduates within the province of Alberta who need support. We were also able to help Autism Dog Services Inc., another organization in Ontario, by providing them with six dogs.

During tough times it is important that we support one another. We have been fortunate to continue to offer our services and lend a paw to similar organizations. Together we can achieve our missions and continue to help Canadians with disabilities.

Autism Dog Services Inc. Team

Dogs with Wings Team

AMI-TV Documentary

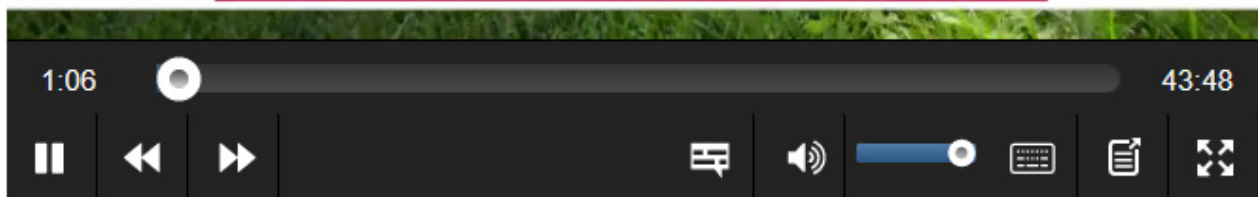

After months of hard work during an unprecedented year, a documentary about LFCDG premiered on AMI-tv. The 45-minute documentary explores the world of LFCDG and goes into depth on the journey of a Dog Guide – from birth to graduation day, and everything in between. Thank you to all the people who were involved in making this documentary.

AMI-tv is the world's first television network to broadcast all programs with open format described video for Canadians who are blind or partially sighted, and is included as part of the basic digital cable package from most television providers across the country at no additional cost. In addition to described video, all content on AMI-tv includes closed captioning for a more inclusive experience.

The documentary is available for viewing on [AMI's website](#) or [YouTube](#).

Legacy Leaders

Our Legacy Leaders are those who have informed us of their commitment to make LFCDG a beneficiary of their planned giving. Several people wish to be anonymous and are not listed below. Thank you to our Legacy Leaders for their thoughtful gifts.

For most of us, we take our mobility for granted, not thinking about how much we rely on always being able to walk places, to dance or play sports. Before her stroke, Gwen Brooks did not either – she worked full-time, studied part-time and had many hobbies and interests such as tennis, hiking, drawing, painting and playing the piano and guitar. Gwen loved travel and spent much of her travel time seeing Canada from coast to coast. However, in 2000 Gwen's life changed overnight. While traveling in Scotland, she suffered a sudden and devastating stroke. All at once Gwen was left to relearn how to be mobile – how to walk, how to use her non-dominant hand and how, eventually, to paint again. Her recovery over many years has given Gwen a profound understanding of the difficulties in overcoming physical disabilities. When it came time to consider her legacy, Gwen knew Dog Guides was the right choice.

"My own physical disabilities and challenges over the past 19 years, coupled with my love of animals, drew me to LFCDG and it is my hope that my gift will help provide Dog Guides to those who need them. I remember my dogs Fiona and Spanky - I loved both of them to bits! Animals mean so much in our lives and these wonderful trained dogs will help bring a sense of security and independence, as well as their unconditional love." Gwen Brooks, Legacy Leader
