FOSTER PUPPY PROGRAM

Lions Foundation of Canada Dog Guides operates its own breeding program. At seven weeks of age, puppies are placed in foster homes for approximately one year.

Foster families house-train the puppies, teach them manners and basic obedience, as well as expose them to as many different situations, experiences and people as possible.

Future Dog Guides and Dog Guides in training are fuelled by Performatrin and Performatrin Ultra dog and puppy food, thanks to the Pet Valu family of stores. The Lions Foundation covers routine veterinary expenses.

The Pet Valu Walk for Dog Guides is Lions Foundation's largest annual fundraising event held in approximately 300 communities across Canada.

With the generous support of title sponsor Pet Valu, funds raised from the walks go directly towards the Dog Guide programs.
