## OUR MISSION:

Empowering Canadians with disabilities to navigate their world with confidence and independence, by providing a Dog Guide at no cost and supporting them in their journey together.

# Message from the Board Chair & CEO

To our Dog Guide community,

As we reflect on the past year, we are filled with immense pride and gratitude for the incredible impact we've made together at Lions Foundation of Canada Dog Guides (LFCDG).

In the 2023-2024 fiscal year, we reached an extraordinary milestone launching The Difference campaign, the most significant campaign in the organization's history. This campaign aims to raise \$50 million required to build a state-of-the-art facility that will ultimately enable us to train more dogs and serve more Canadians. It is a true investment; not just in a new school, but an investment to help our clients achieve their potential. We look forward to sharing more information about this exciting campaign in the coming year.

In addition to this, we are proud to share we graduated 112 Dog Guides teams across Canada this fiscal year. Each of these amazing dogs has been carefully trained and matched with individuals across Canada, transforming lives in ways that words can scarcely capture. These Dog Guides are more than companions; they are lifelines, providing confidence, safety, and independence. Our exceptional instructors not only assisted new graduates but also conducted over 500 follow-up visits with active teams across Canada, as part of LFCDG's commitment to providing ongoing support as a core element of our mission.

However, this achievement didn't happen overnight. It took countless hours of training, the commitment of our devoted foster families and volunteers, the expertise of our skilled staff, and the unwavering support of our donors and partners. From the moment a puppy is born, to the day it proudly walks to meet their human partner, an entire community of passionate individuals works tirelessly to ensure that these dogs are ready to take on their vital roles. Even when a dog doesn't graduate, countless hours of dedication and effort are invested in their training, and we are deeply grateful to everyone involved in this journey.

Our success in 2023-2024 is a testament to what we can accomplish when we come together with a shared purpose. The joy and freedom that these 112 Dog Guides graduates have brought to their new partners is the ultimate reward for our collective hard work and dedication.

As we look ahead to the future, I am excited about the continued impact we will make together. With your ongoing support, we can ensure that even more Canadians will benefit from the life-changing partnership that a Dog Guide provides.

Thank you for being a part of this incredible journey. Here's to another year of success, growth, and the profound difference we can make—one Dog Guide at a time.

With gratitude,

Bev Crandell, CEO of Lions Foundation of Canada Dog Guides and Angela Sharbot, Board Chair

# You Made These Matches Possible!

Throughout 2023-2024, we have witnessed countless stories of transformation as our clients experience newfound safety and independence with their Dog Guides. Whether guiding through busy streets, alerting to medical needs, or offering support, these dogs make a profound difference in their handlers' daily lives. We are proud to continue empowering Canadians with the life-changing gift of a Dog Guide.

*"Since Spirit entered my life, my world has expanded in ways I never imagined. I've gained the independence to run errands and navigate daily tasks on my own, whether it's shopping or getting a haircut. Crossing busy streets, which once felt daunting, is now seamless with Spirit guiding me safely to the other side. She's not only my guide but a bridge to the sighted world."*

**- Andre & Spirit, Canine Vision team in Quebec**

*"Enya has become our ears. From alerting us to vital sounds like alarms and doorbells to providing Javan with much-needed support, Enya keeps us safe and connected to the world. Her presence has brought music back into our lives, and together, we create our own perfect harmony. We're profoundly grateful to LFCDG for this incredible gift."*

**- Javan, Esther & Enya, Hearing team in Manitoba**

*"Stanley has completely transformed my life, giving me purpose, independence, and a companionship I never knew was possible. From helping me with daily tasks to offering unwavering support, he's always by my side, ready to assist with a happy heart. I can't imagine life without him."*

**- Jeslyn & Stanley, Service team in Alberta**

*"Fable is trained to bark for help when needed during my seizures and knows how to alert a medical assistance button that contacts emergency services. Fable makes me feel secure and truly confident. All the assistance that Fable provides for me are gifts that have an influence on my day-to-day life. I can learn new things and go places alone."*

**- Stefania & Fable, Seizure Response team in Ontario**

*"Kansas helps me a lot when I'm at school. He keeps me happy and he's really fun and goofy! He keeps me calm and makes it easier for me to do my work. He lets me hug him when I am sad or upset or feeling stressed out. He makes me laugh and feel happy. I think fundraising for LFCDG is a really good idea because then more people can get a fun goofy dog like Kansas that can help them like he does for me."*

**- Kayden & Kansas, Autism Assistance team in British Columbia**

*"Before Domino, living with type 1 diabetes was a constant source of fear and stress, as I often couldn't detect dangerously low blood sugar levels. Now, with Domino by my side, I feel a newfound sense of security and independence. She's not only my guardian but also my source of confidence, helping me live each day without the constant worry I once had. Domino has truly transformed my life."*

**- Marieve & Domino, Diabetes Alert team in Quebec**

*"Darwin has quickly become the 'calm in the chaos' at our shelter, offering unwavering support to both clients and staff. Whether he's comforting a child with his gentle presence or helping someone through a difficult moment, Darwin's impact is profound. He brings a sense of safety and warmth to our community, turning challenging days into heartwarming experiences."*

# The Difference Campaign

In June 2024, LFCDG launched The Difference Campaign to the public, its most ambitious fundraising initiative ever, with the goal of raising \$50 million to construct a state-of-the-art national training school for Dog Guides and recipients.

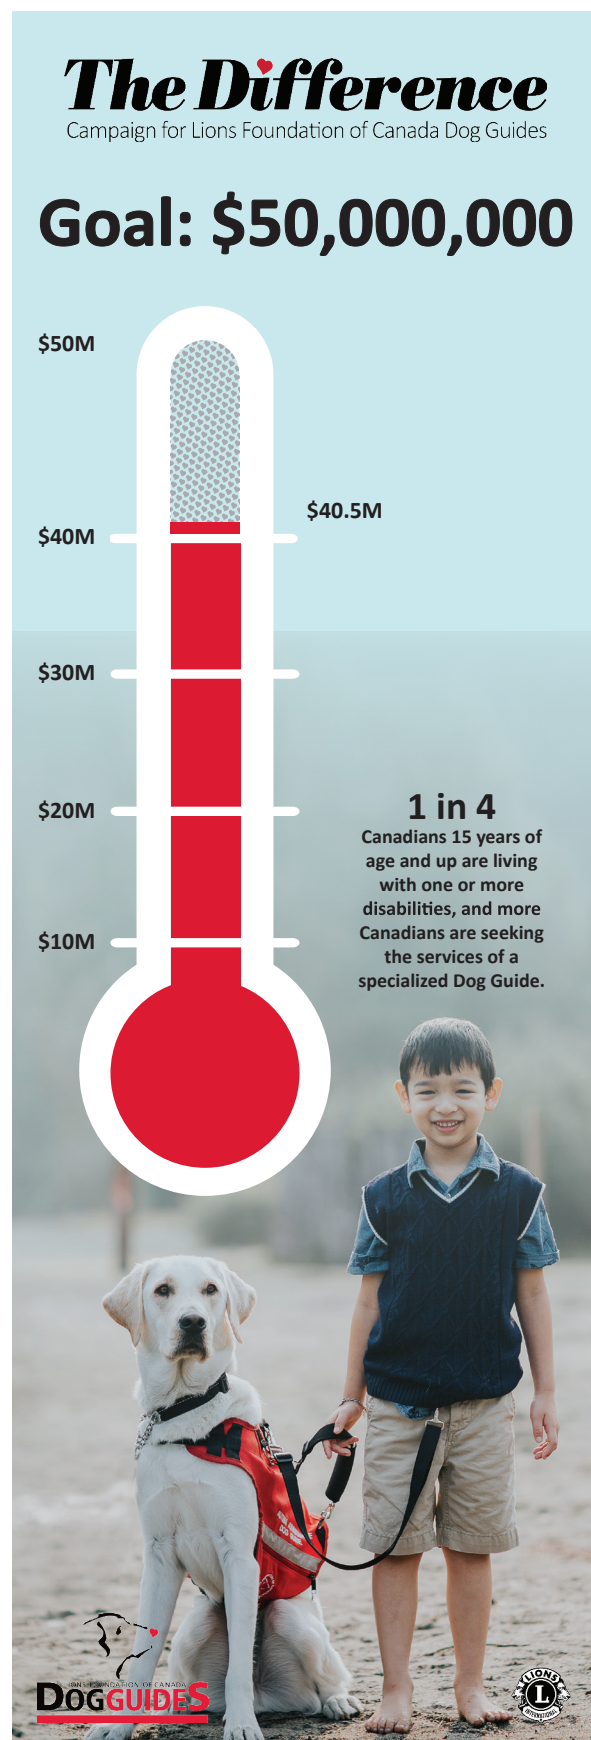

With demand for Dog Guides steadily increasing, our current facility in Oakville—a retrofitted elementary school—no longer meets the growing needs of those we serve. The new national school will significantly enhance LFCDG's capacity, enabling us to increase the annual placement of Dog Guides from 150 to 250 over the next five years. The building will feature fully accessible training spaces and guest rooms for clients, improved kennel areas and play spaces to ensure the well-being of the dogs during their training and classrooms and training rooms for each program.

The Difference Campaign is more than just constructing a new building; it is an investment in the future potential of Canadians in need of a Dog Guide.

Thanks to the generosity of our incredible early supporters, the campaign has successfully raised \$40.5 million at our fiscal year end of June 30, 2024. These incredible donors are all listed at the end of this report.

As we move forward, our focus is on securing the remaining funds needed to bring this transformative Dog Guide school to life, making a lasting difference for people with disabilities for generations to come.

# The Dog Guides' Community 2023–2024 Impact

## EMPOWERING LIVES THROUGH GENEROSITY: OUR DONORS' IMPACT

Thanks to the unwavering support of our donors—core members of the Dog Guide community—we successfully matched 112 Canadians with life-changing Dog Guides, all at no cost to them.

Whether through monthly contributions, individual donations, legacy gifts, or the collective generosity of corporations and Lions Clubs, our donors have an extraordinary impact. They are the driving force behind our mission, making it possible to provide independence and companionship to those who need it most.

Corporate partners, organizations, and individual donors contributed 54% of our total donations this year, reflecting their vital role in supporting our mission. This incredible support has made a world of difference and we'd like to highlight some impactful contributions:

Thanks to the generosity of 636 donors, our 2023 Giving Tuesday campaign set a new benchmark, raising an astounding **\$216,194** in just 24 hours.

Over **640** different Lions clubs across Canada contributed to LFCDG.

The 2023 Pet Valu Walk for Dog Guides became the third highest-grossing walk in its 39-year history, raising over **\$1.3** million!

# OUR DEDICATED STAFF: THE BACKBONE OF OUR SUCCESS

Our staff members are the backbone of the Dog Guide community, working tirelessly to ensure that every aspect of our mission is fulfilled with excellence.

In every role—whether as trainers, program coordinators, administrative professionals, or in leadership positions—our staff bring passion and commitment to their work. Their efforts ensure that we can provide Dog Guides to Canadians in need, empowering them with independence and confidence.

In 2023-2024, our staff went above and beyond to support our mission. Their hard work and unwavering dedication have been instrumental in transforming lives, and we are deeply grateful for their contributions. Here are some highlights of their achievements:

# VOLUNTEERS: THE HEART OF OUR MISSION

Our volunteers are the heartbeat of the Dog Guide community, dedicating countless hours and skills to help us achieve our mission. From fostering future Dog Guides to assisting with fundraising events and administrative tasks, their contributions are invaluable.

In 2023-2024, over 700 volunteers generously contributed their time and talents across a wide range of roles. Here are some highlights of their incredible contributions:

Over **179** future Dog Guide puppies were cared for by volunteer foster families.

We have 304 sitters who provide temporary care for the puppies. Over the past year, sitters assisted in **490** sitting requests!

Over **700** volunteers assisted the organization this year alone!

This year alone, we introduced more than 5 new volunteer roles to strengthen support for both staff and dogs, expanding our volunteer program to offer over **15** unique opportunities.

*"Our Hearing Dog Guide volunteers and our Enrichment volunteers, play a vital role in shaping and nurturing our Dog Guides in training. With nearly 30 program volunteers and 50 kennel enrichment volunteers, they engage in essential activities like dog walking, kennel enrichment, socialization, grooming, and basic obedience training. Our volunteers also support us with administrative tasks, facilitate communication with French-speaking clients and ASL clients.*

*By volunteering, they enrich the lives of these incredible dogs and the clients they will serve, making a meaningful impact—one wagging tail at a time!*

*Thank you for all you do!"*

**– The Hearing Program and Enrichment Team**

*"The volunteers in the nursery help to provide assistance walking the moms and doing enrichment activities with the puppies. Our puppy enrichment program has flourished with the help of our dedicated volunteers. Both the moms and puppies have benefited from their time with the volunteers, as we have seen an increase in contentment in the moms and confidence in the pups."*

**– Nursery Staff**

*"For over 10 years, our client services department has been fortunate enough to have the unwavering support of our wonderful volunteer, Sandra. She is always willing to tackle any task we throw her way and has become an integral part of our operations. Sandra's contributions extend beyond routine administrative duties; she has also played a pivotal role in assisting new staff and streamlining the work flow, demonstrating an impeccable attention to detail and a level of trustworthiness that we rely on. Her positive attitude and dedication makes her an invaluable asset to our team, and we are grateful for her continued support."*
