

By participating in the Pet Valu Walk for Dog Guides, you are ensuring Lions Foundation of Canada Dog Guides can continue to fulfill our mission of empowering Canadians with disabilities to navigate their world with confidence and independence by providing Dog Guides at no cost to them and supporting each pair in their journey together. With support of our title sponsor Pet Valu, volunteer walk organizers, participants and supporters across Canada, all proceeds from the walk go towards our seven Dog Guide programs. Each Dog Guide costs approximately \$35,000 to raise, train, and place. All Dog Guides are provided at no cost to qualified applicants.

- **Support Life-Changing Dog Guides:** Participate in the Pet Valu Walk for Dog Guides to help provide Dog Guides for Canadians with medical or physical disabilities.
- **Get Involved:** Register online at www.walkfordogguides.com or in person at a local walk. You can walk, fundraise, or donate to show your support.
- **Fundraise for Impact:** Collect donations online or in person and encourage others to join and contribute to this life-changing cause.

Bright Futures. Countless Possibilities.

Canine Vision

Canine Vision Dog Guides assist people who are blind or visually impaired. These Dog Guides are trained to safely navigate obstacles typically found on daily routes.

Seizure Response

Seizure Response Dog Guides are trained to assist people diagnosed with intractable epilepsy. These Dog Guides are trained to bark for help and help their handlers manage their epilepsy.

Autism Assistance

Autism Assistance Dog Guides assist children on the autism spectrum. These Dog Guides provide safety, companionship and unconditional love.

Diabetes Alert

Diabetes Alert Dog Guides are trained to assist people with Type 1 Diabetes with hypoglycemic unawareness. These Dog Guides are trained to detect sudden drops in their handler's blood sugar and alert them.

JOIN US

Hearing

Hearing Dog Guides assist people who are deaf or hard of hearing and are unable to detect important sounds. These Dog Guides have been taught to distinguish specific sounds, and alert their handler.

Facility Support

Facility Support dogs assist professional agencies working with vulnerable people who have experienced trauma. These dogs are trained to provide a non-judgmental, attuned presence and calming influence to reassure a person experiencing a stressful situation.

Service

Service Dog Guides assist people who have a physical or medical disability. These Dog Guides are trained to fetch objects, open/close doors and appliances, push automatic buttons, and get help by barking or activating an alert system.
