

A Heartfelt Thank You and a Look Ahead

As we reflect on the past year, I am filled with immense gratitude for the incredible support, dedication and commitment that is given to Lions Foundation of Canada Dog Guides. I can honestly say we couldn't do the work we do without the amazing team of staff, the very generous donors and deeply passionate volunteers. Many of you fall into more than one of those categories and I am humbled by your contributions and your shared commitment to our mission. I am excited to share just some of the highlights from 2024 and our vision for the future.

2024 Highlights

Impact:

Thanks to your generosity, we have been able to match 119 clients with dogs in 2024. In addition to the new clients added to our family, we continue to provide ongoing support for over 1000 clients as they navigate their world with confidence and independence.

We've opened up our waitlists in all but two programs and are managing our waitlists with the goal of no longer than 18 months from the time a client is accepted to when they are matched with a Dog Guide.

Community Engagement:

We are reaching out to more and more people through events and social media. Our calendars are full with activities and each one is an opportunity to tell someone about the

amazing work of Dog Guides. Our volunteers have been busy helping to organize events, support our operations and be the best ambassadors.

Fundraising Success:

With the dual challenge of raising money for our annual operating budget and an inspiring capital campaign, our donors continue to overwhelm us with their generosity. We raised a record breaking \$276,000 on Giving Tuesday – enough to provide Scholarships for almost 8 teams!

The annual Pet Valu Walk for Dog Guides raised a record setting \$1.3 million.

The increase in the number of monthly donors has doubled compared to last year.

Our capital campaign is coming along and we are at 80% of our \$50 million goal. As I write, the structural steel is being erected on our new school and it is starting to take shape. We need to continue to push to the finish line to make our dream school a reality.

Looking Forward to 2025

As we look ahead, we see a year of opportunity and optimism. We have plans to match more clients with Dog Guides, and we will continue to build our new school to house our ambitious plans for growth and accessibility. With your continued support, we can accomplish even more and make a lasting difference in the lives of those we serve.

Thank you for being an integral part of our community. Wishing you a joyful holiday season and a happy New Year.

Minister Anita Anand Visits Our Oakville Facility

On November 29th, Lions Foundation of Canada Dog Guides (LFCDG) had the distinct pleasure of hosting the Honourable Minister Anita Anand, President of the Treasury Board and Minister of Transport. Minister Anand was joined by special guests MP Pam Damoff, Town of Oakville Councillor Dave Gittings, Councillor Cathy Duddeck, Councillor Tom Adams, and members of the press.

Minister Anand's visit had a special purpose; to announce that LFCDG's new national training school was selected to receive a \$1.3 million grant from the federal government's Enabling Accessibility Fund. The Enabling Accessibility Fund is dedicated to funding construction or renovation projects which improve accessibility and create opportunities for Canadians

living with disabilities. As the largest grant ever received by LFCDG, these funds will make a significant impact on the development and construction of accessibility features vital to the many Dog Guide recipients. With help from funds like these, the new school can go above and beyond AODA regulations to achieve Rick Hansen Foundation Gold Accessibility Certification.

While The Difference campaign's \$50 million goal is ambitious, it is an investment well worth making for the future of LFCDG. If you would like to join the national initiative to create a fully accessible Dog Guide training school for Canadians coast-to-coast, please reach out to thedifference@dogguides.com, call (905) 842-2891 or 1 (800) 768-3030, ext. 218, or visit The Difference campaign website.

Together, We Made a Difference: Giving Tuesday Recap

A tribute to the bravery of Sgt. James Know, a WWI soldier who fought at Vimy Ridge.

Keeper (Donor: Shirley)

A name that symbolizes the protective, unwavering dedication of a Dog Guide, always keeping their person safe.

Ridley (Donor: Karen)

Named after a school where the donor taught for 30 years, and where a future Dog Guide puppy spent 20 years sharing the classroom.

Charity (Donor: Linda)

A reminder of the generous contributions that make it possible to raise, train, and place our Dog Guides.

Vandora (Donor: Dawn)

Honouring a dedicated foster mom who nurtured many future Dog Guides, including one for the donor’s daughter.

Nugget (Donor: Susan)

In honour of “Grammy” Sue’s annual donation to support Dog Guides, inspired by her grandchildren’s love for chicken nuggets.

Giuseppe (Joey) (Donor: Lexus of Oakville)

Named in honour of the new owners at Lexus of Oakville.

A special thank you to Lexus of Oakville for their generous support in matching every donation made to the Lions Foundation of Canada Dog Guides, dollar-for-dollar, up to \$20,000!

Foster Families Making a Lasting Impact

A group of dedicated volunteers is actively raising funds to secure a spot on the donor wall, and they're inviting the entire LFCDG Foster Community—current, past, and breeder fosters alike—to help. The original goal was to raise \$5,000 to honour the “LFCDG Foster Families” name on the donor wall of the new Dog Guides building, creating a lasting tribute to our community's impact on Dog Guides' future.

This campaign has since gained remarkable support, and the goal has increased to \$10,000! Reaching this would mean an opportunity to name an office after “LFCDG Foster Families,” which would be an even greater testament to our community's contribution. Thanks to our amazing supporters, the “Fostering the Difference” campaign has already raised an impressive \$6,700!

If you're interested in helping reach this new milestone, donations can be sent to fosteringthedifference@gmail.com. Please include your full mailing address to receive a tax receipt for donations over \$20.

Thank you for being a vital part of this incredible community and for helping us create a legacy that will last well into the future!
